

RESOLUTION # 2024-01

**AUTHORIZING THE DESIGNATION OF A GRANT PROJECT ENGINEER/ARCHITECT**

**WHEREAS**, the Town of Triana intends to apply for grant funding provided through state and federal sources such as the Alabama Department of Community Affairs (ADECA) Community Development Block Grant (CDBG) program for funds to provide for the construction, upgrade and/or other replacement of critical public infrastructure; and

**WHEREAS**, to this end, the Town of Triana is in need of professional architectural services to prepare said application(s), and, in the event of a grant award, to design, bid and oversee the aforementioned types of projects; and

**WHEREAS**, the Town of Triana has advertised for and received Statements of Qualifications for said types of engineering/architectural services; and

**WHEREAS**, based upon evaluation of said responses, using the criteria stated in the RFQ, the firm of Ladd Environmental Consultants, Inc. was the highest scoring submitter; and,

**WHEREAS**, said firm is also known to the Town of Triana, and has a history of successful project execution; and, has indicated that it can perform said engineering services within the expected granting agencies' budget requirements, and shall hold said offering of services open until grant funding is acquired for the allowable three-year (2024-2026) selection period;

**NOW, THEREFORE BE IT RESOLVED BY THE Town of Triana:**

1. That the Town does hereby authorize the offering of said Project Engineer status to Ladd Environmental Consultants, Inc. to provide said professional services for such applications and grant-funded projects, as provided for under the granting agencies' guidelines and regulations.

ADOPTED THIS THE 10 DAY OF June, 2024.
