

Town of Triana – APRIL is Community Pride Month Spring Cleaning

From the Desk of the Mayor

Greetings Citizens, Neighbors,
Churches, Business and Visitors:

The Town Council and I have proclaimed the Month of April as Town of Triana Community Pride Month.

As part of our commitment to end littering and illegal dumping, I welcome and encourage any and all citizens, churches and business to participate in the Town of Triana Annual Town Pride kick off day, Saturday April 30, 2022. Let's join together in making the Town of Triana and our neighborhoods litter free. This is a volunteer community event to help jump start having pride for our community.

We have designated areas such as roadways, parks, lakes and river docks that can be clean-up with just a few people, however your neighbors or an elderly citizen may need your help. This is also great project for the youth to help meet community services requirements for many schools.

Because the town's maintenance/street department consists of three full time staff and one part time summer worker it is hard to keep the roadways clean. We are asking you to join in by helping us end littering and keeping our town and neighborhoods clean. The Town Council and I will be imposing all ordinances that are in conjunction with littering, dumping and other environmental issues within the town's limits starting May 01, 2022. This will allow all citizens and business an opportunity to clean-up their property.

Thank you in advance for participating in the Town of Triana 8th annual Spring-Cleaning kick off day. I am counting on your support. For additional information, please don't hesitate in contacting me directly at 256-772-0151.

Sincerely,
Mary Caudle, Mayor
